REMARKS

Reconsideration and allowance of the above referenced application are respectfully requested.

Initially, the indication that claims 10, 12, 14-17, 24, 25, 29 and 30 represent allowable subject matter is appreciatively noted. Each of these claims have been amended into independent form herein all of the remaining claims, specifically claims 1-9, 11, 13, 18-23 and 26-28 are canceled in order to obviate the rejections thereto. This should obviate all remaining issues remaining in the case.

A notice of allowance should therefore be in order, and a notice of allowance is hence respectfully requested.

Applicant asks that all claims be allowed. Please apply
